

# Term of Service

## Thank you for using FitMeIn

By using our service, you are agreeing to our terms of service. Below are short descriptions of different services that we provide on the FitMeIn platform to help you understand our services. Please read them carefully.

### I. What are the services we provide?

- **The calendar functions**

By using the calendar you provide and the destination you entered, FitMeIn will look through your calendar and find empty slots between your scheduled events. Then, the algorithm will look through the locations of your events, routes, travelling time, busy hours of your destination and average time spent to figure out the best time for you to visit the place.

- **Travelling to multiple places**

This service allows you to enter multiple destinations you need to visit and our algorithm will calculate the routes and travelling time to create a route for you to visit all the places you entered in the shortest amount time.

- **Sharing your route with others**

After a navigation, the information regarding to the navigation process will be saved in the FitMeIn database. You can then choose to use the same route again or share it with others. You will be allowed to comment on routes shared by other users. Please note that in order to use this function, you will need to register an account on the platform.

- **Itinerary for the day**

To use this function, you need enter the start time and end time of your day as well as the time you wish to stay at each destination. Our algorithm will look through the routes, travelling time and busy hours to create a personalized itinerary for the day. This itinerary will give you the route to travel to all the destinations and the order of your destination which will help you to go through your day efficiently.

- **Display information about the destination**

When searching for a destination on FitMeIn, our map will give you the information about the destination such as busy hours, average time spent and etc.

- **Your account**

After registering your account with us, you will be able to save your routes and share your routes with others. It also allows you to comment on routes that are shared by other users and use their routes. We will use the email address you provided as your login name.
